I am a Seenager...(Senior Teenager)

Saints Alumnus: John Sparrock's suggestion to include Humor in the Saints News & Views

May 6, 2021

All, I just received this item from my 90-year old (Chinese) Friend.

- I have everything that I wanted as a teenager, only 50+ years later.
- I don't have to go to school or work.
- I get an allowance every month.
- I have my own pad.
- I don't have a curfew.
- I have a driver's license and my own car.
- I have ID that gets me into bars and the liquor store.
- The people I hang around with are not scared of getting pregnant.
- And I don't have acne.
- **Life is great!**

PS - I have more friends I should send this to, but right now I can't remember their names. So, please forward this to your friends as they may be my friends, too.

The punchline became an introduction to:

SAINTS PERSPECTIVES

Things Humorous

Life is great!

- I changed my car horn to gunshot sounds. People get out of the way much faster now.
- Gone are the days when girls used to cook like their mothers. Now they drink like their fathers.
- I didn't make it to the gym today. That makes five years in a row.
- I decided to stop calling the bathroom the "John" and renamed it the "Jim". I feel so much better saying I went to the Jim this morning
- Old age is coming at a really bad time.
- When I was a child I thought "Nap Time" was a punishment. Now it feels like a small vacation.
- The biggest lie I tell myself is: "I don't need to write that down, I'll remember it."
- I don't have gray hair; I have "wisdom highlights"! I'm just very wise.
- If God wanted me to touch my toes, He would've put them on my knees.
- Last year I joined a support group for procrastinators. We haven't met yet.
- Why do I have to press one for English when you're just going to transfer me to someone I can't understand anyway?
- Of course I talk to myself. Sometimes I need expert advice.
- At my age "Getting lucky" means walking into a room and remembering what I came in there for.
- I have more friends I should send this to, but right now I can't remember their names.
- Now, I'm wondering: did I send this to you, or did you send it to me?

This produced an example of the **Good Life** from Alumnus Art Veerasammy, dated March 2, 2016. *He was obviously well ahead of the rest of us !!*
