My Three Angels

There is an old saying that the proof of the pie is in the eating. Judging from the sell-out audience and their loud applause, one can only conclude that "My Three Angels" presented on four nights last April, was an outstanding success. Undoubtedly the hard work which was evidently put in by all concerned did not go unrewarded. The choice of play, set in neighboring French Guiana, was just right for the audience, and the ability of the actors and actresses was shown in their splendid interpretation of their parts.

Nelene Williams as Madame Dulay and Donna Lawrence as her daughter, Marie-Louise, were well-suited to their parts. So too was Peter Forte as the husband, Felix, but perhaps he could have been a little more convincing. No such criticism for Anna Venton who, as Madame Parole, confidently bounced her way across the stage, displaying all the vivacity and charm which her sly character evoked.

But perhaps the cynosure of the play was the trio of convicts, admirably played by Mark Harris, Charles De Freitas and Keith Correia. They brought the roof down with their cunning craft and comedy, although at times they tended to overplay their roles. This however was less apparent in the later performances.

Desmond Rodrigues excellently brought out all the shrewd hard-heartedness of Gaston Lemare, ordering about his servile nephew Paul (Cecil Phillips). He was good, but a little self-conscious at times. Bernard Fernandes as Lieutenant Espoir showed signs of nervousness but he brought the play to a happy and satisfying conclusion.

And how wonderful it was to have no disturbance from traffic during the play! To me, all things considered, this was one of the best plays Saint Stanislaus' has ever put on, and what else can I say but "Congratulations!" to producer Bobby Reis. May we see many more such productions!

PROSPECTUS

SAINT STANISLAUS COLLEGE is a Christian institution that has been conducted for over one hundred years by a Staff that includes members of the Society of Jesus. It aims at imparting both intellectual and technical skills and at forming citizens of Guyana who are imbued with a reverence for God, a love of their religion and a spirit of service to their country. It offers an education that stresses academic excellence and respect for manual labour, and is at the same time based on a philosophy of co-operation, a spirit of sharing and working together for the good of all.

The normal 5 years' course of studies leads to the G.C.E. Ordinary Level (London). There is a further 2 years course for the G.C.E. Advanced Level (London).

The College has five good Science Laboratories and there is a full course in Physics, Chemistry and Biology for every boy. There is a College Library, and the College is equipped with Audio-Visual aids. An Art room and a Geography room have been set up, and French, English, Economics, History Geography Mathematics and Art are taught to Advanced Level. We have just begun Technical Drawing and plans are afoot to introduce Agricultural Science, Woodwork & Metalwork by the end of the academic year.

On our playing fields near the Sea Wall, we are able to provide full facilities for cricket, football and athletics, under the supervision of the College staff and experienced coaches. Volley ball, table-tennis badminton, basket-ball, swimming, judo and scouting are also offered.

The school year consists of three terms.

FEES, not including books, \$45.00 per term.

SPECIAL FEES for brothers:

\$75.00 per term for two brothers in the school at the same time.

ADMISSION:

Admission to Form 1 is normally through the COMMON ENTRANCE EXAMINATION. A few boys over 12 but under 13 years on 31st May are admitted on the results of the COLLEGE ENTRANCE EXAMINATION held early in April.

All those who wish to gain admission to the College should obtain an Entrance Form during March.
